EQUI AID

Natural Psyllium Fiber Supplements

*Ideal for horses that live on
rocky, sandy soil*

- May help reduce the risk of digestive colic in horses
- Psyllium hydrophilic mucilloid,
a natural, bulk-forming fiber
- Increases bulk, softens stools and keeps things
moving through the horse's intestinal tract

Powder Formula

Available in 4, 20 and
40 lb. buckets

Pellet Formula

Available in 5, 10, 20,
and 50 lb. buckets
